

Name: _____

Wix Website Project

*For this assignment, you will be using “Wix” to make a website. First, you will go to the following link: <https://www.wix.com/website/templates>. From there, you will choose what type of website you would like to make from their list of templates.

*Your website that you are making must include at least each of the following features:

- 1) Your own logo that you designed
(Your new Canva skills might be great for this) _____ / 5
- 2) Links to social media outlets: _____ / 5
- 3) A Media Gallery, which includes at least 2 images: _____ / 5
- 4) In addition to your home page, you must have two additional pages. If your website is a business, this might include a page each for two different types of projects. If it’s an organization / club, there might be a different page for two different topics or activities that your club is about.
_____ / 10
- 5) You will also need to choose from the Free Wix app market several features to your website. Your website must include each of the following:
 - a) Facebook like pop up _____ / 5
 - b) Google Event Calendar _____ / 5
 - c) A site search bar _____ / 5
 - d) Wix forms (for this one, you will either make an order form for your products, or a form to collect contact information for people to join your organization or club)
_____ / 5

Total: _____ / 45
